IMPACT MINISTRIES

"Growing Godly Leaders"

Our Mission…

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

Growing Godly Leaders

"I want to help other children who are living in the same situation that I was and change many generations. I can tell you that my generation has changed now. I want all my students to be a new generation."

~ David Balaam Chitay
Principal and former Vida student

Why Impact Ministries?

Impact Ministries has been working in Guatemala since the year 2000, and many of our leaders were once Vida students themselves. We provide opportunities for North American Christians to come alongside these Guatemalan leaders through giving, going and praying. It's exciting to see Christians from Canada joining together with our Guatemalan brothers and sisters to present the life-changing message of Jesus Christ!

Years of hardship have prepared the hearts of the Guatemalan people, and they are hungry for the truth of Jesus Christ! In the rural areas of Guatemala, more than 75% of Indigenous people live in poverty. Impact Ministries is focused on bringing help and the hope of Jesus Christ to the Q'eqchí and Poqomchí people groups of Guatemala.
